Dear Parents and Caregivers,

Two weeks to go and it's a busy two weeks with lots of things planned.

Faction Sports' Carnival: What a great day!! Thanks to so many people—students, staff, parents and other visitors, for making it so. A special thanks to Mrs McDonald for her organisation prior to, and on the day. A big thank you to all parents who donated goodies for the cake stall—and to the parents who assisted manning the stall. A very successful venture with \$381.10 raised. Fantastic Work!

Thanks, too, to all the parents who participated in some of the events—a highlight of the day.

A big congratulations to Red Faction, and to all our winners and runners-up. Well done!

Dance Performance: A reminder that this is set for the 22nd September, starting at 6:00pm. Gates will be open at 5:30pm for students to get ready in their classes and for parents to view students' work which will be on display around the undercover area.

P&C Meeting: We now have our committee to start our new P&C - and it would be great to see some more parents turn up for our next meeting to help plan

and organise future events. Special thanks to the following mums for putting their hands up and take on the different roles:

Tabitha Wynn—President

Laura Perzamanos—Vice President

Tiffany Wendt—Secretary

Laura Perzamanos—Treasurer.

Laura and Olivia Yuen will be running the Uniform Shop and an update from them will happen soon. We will be sending home a survey to see what items we need to purchase for 2021—and our Year 5 students will also receive an order form for their Year 6 leaver polo shirts.

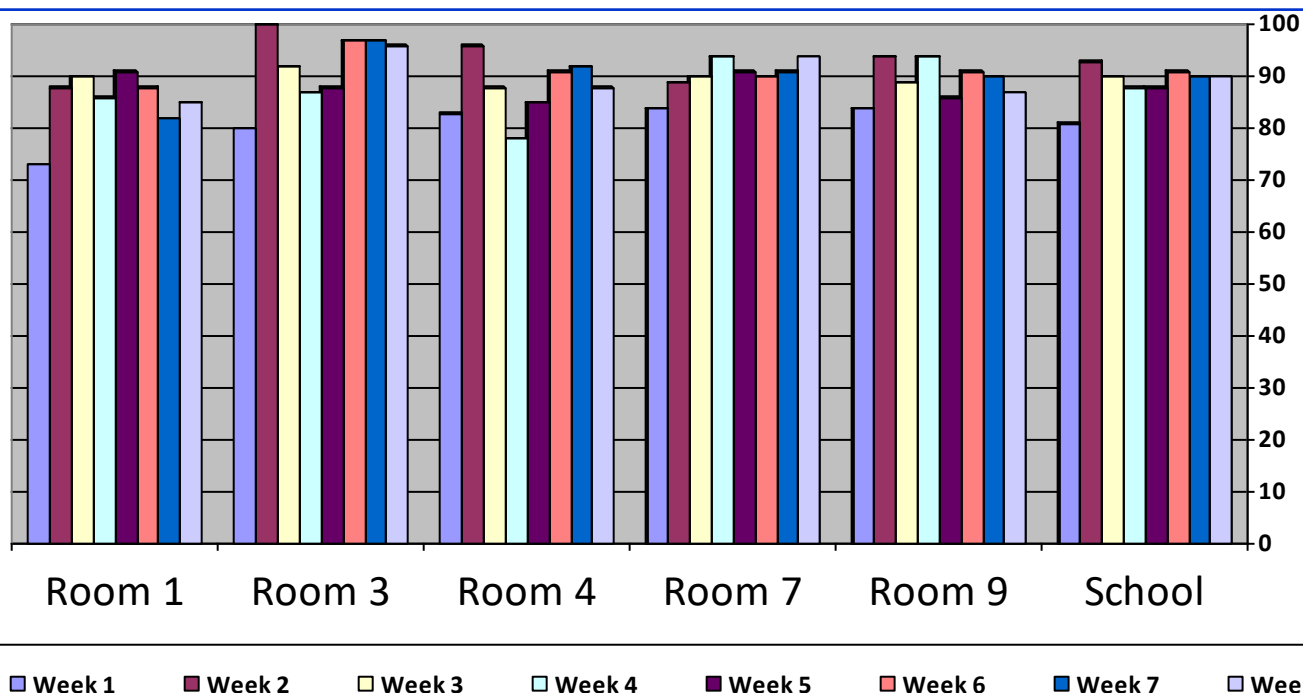

Our next meeting will be held on Tuesday, 20 October—starting at 2:00pm and meeting in Room 5. We would love to see you there!

Bike Drawer: Thanks to Ms Cassie Rowe for her generous donation of a bike. Congratulations to Daisy!!

At our next assembly, Friday, 25 September, we will drawing one name from each class to have school fees refunded. Thanks to the 2019 P&C Committee for this generous donation. We have 74 students who have paid their fees to date—thanks!

Talk Like a Pirate Day: 18 September—kids can come dressed as a Pirate, or something related to a pirate!!! (like a giant parrot!)

Perth Ballet Company—will be visiting us next Wednesday to

present different dance types to our students. This is at no cost to students and we greatly appreciate this wonderful opportunity and donation of this performance by Perth Ballet Company.

Attendance: Great to see this stay consistent over the past fortnight, though I do know that there have been a few kids and staff members who have picked up the “bug” that’s going around. I hope you are all feeling better soon!

Arrival / Departure—School Days: Thanks to all parents for getting your kids to school on time, and picking them up at 3:00pm.

We still have a few kids who are at school till past 3:15pm A reminder that school is finished at 3:00pm, and pickup around that time would be appreciated.

Remember to phone the office if you are delayed due to something beyond your control. Thanks.

Spring is in the air—it’s going to be a glorious weekend—enjoy!

Stephanne Dann.....Principál

Class News

Kindy/Pre-Primary—Room 1 have loved being a part of the faction carnival. The students trained so hard leading up to the day.

We are becoming reading and writing stars. We chin walk when segmenting

words to write and decode when reading unknowns words.

Year PP/1—Room 3 have designed and made a “Create Corner” in our classroom, which encourages us to use our creative art and writing ideas. There are a variety of materials to use and we are absolutely loving it.

Mrs Rigby has displayed our masterpieces and we are very proud of our effort.

Year 2/3—Room 4 have been busy learning about information reports and researching why we have endangered animals.

In Maths we have been learning about division and measuring using metric units.

We have enjoyed our dance lessons so far and are excited about our performance in a few week's time.

Year 3/4—Room 7 have had lots of fun preparing for our assembly.

We have begun writing information reports on ocean animals.

Next week we are going on a “Junior Dolphin Watch” excursion. We can't wait.

Year 5/6—Room 9 have been researching different kinds of puppets. We have made some paper puppets and are going to write some little short plays for the puppets to help them come to life.

In Maths we have been solving Word Problems and writing them.

A HUGE thank you to all the families who have already paid 😊

Science Corner

The Young Engineers Club

The Young Engineers' Club is continuing to provide lots of challenges for the students attending.

In week 2 they worked and learnt about levers and constructed a crane. In week 3 the students looked at gear transmission and made a mixer. This session meant they added a motor which provided lots of fun for the students once they got the mixer moving.

There are two more workshops to go until the end of term.

Waste Wise

Over the holidays please keep your used batteries, newspapers and any other materials that could be used at our Recycling Centre. On your return to school please place the items in the containers located outside Room 3. Thank you to everyone for your support this term.

Fact— A modern glass bottle would take 4000 years or more to decompose - and even longer if its in the landfill.

Crunch&Sip®

On Thursday the whole school took part in the Great Vegie Crunch! This event

happens every year and we join many schools across WA crunching on fresh vegetables-and having fun doing this activity. Did you know that only 6 per cent of Western Australian school aged children eat the recommended daily intake of vegies? The Great Vegie Crunch aims to change that and educate students on the importance of eating more vegetables. Our school tried to make the biggest crunch in history!

Crunch&Sip®

Simple ways to encourage children to eat more vegetables – Part 1

- Get children involved in meal preparation – they are more likely to eat something they have helped create.
- Make a healthy snack the easy choice at home by keeping a container of cut up vegetables and dip in the fridge and limiting the purchase of treat foods in the weekly shop.
- Include children when making decisions about what the family eats – just make sure all the options are healthy choices. For example, at the supermarket ask kids to choose which vegetables will go in the stir fry.
- Make mealtimes a relaxed and sociable occasion. Sit around the table and take it in turns to begin a family discussion.
- Modelling healthy eating behaviours yourself is a better strategy than trying to pressure children to eat certain foods. If children feel pressured at mealtimes they can build up negative associations and reject the very foods you are trying to promote.
- Hide grated vegetables in foods like pasta sauce, patties, casserole, shepherd's pie, quiche, soup and omelettes.

Sunsmart

The Cancer Council Western Australia says: Be SunSmart!

- Slip on a shirt
- Slop on sunscreen
- Slap on a hat
- Seek shade
- Slide on some sunglasses

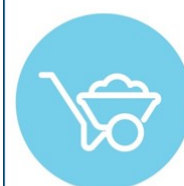

Use a combination of these sun protection measures outside when the UV Index is 3 or above

Water Wise.

Now is the time to reset your sprinklers ready for the summer months.

Fact— Cucumbers are 96% water.

Tip—

Mulch, mulch, mulch

Mulch is like sunscreen for the soil. It reduces evaporation and makes your garden look great.

Room 1 News

It has been such a busy term in Room 1. We have welcomed two new friends in Rayden and Platon who have settled in wonderfully with us. We have been busy learning new skills to help us to read and write. All our learning in Room 1 is hands on, where we use a range of objects to help us. We are consistently revising things we have already learned and now we are whizzes at rhyming and syllables. In Maths we are learning to count, read and write numbers to 20 and learning about capacity. One of our favourite days this term was the 100th day of School. We participated in activities based around the number 100 with the whole school. We all had a fabulous time at the Faction Carnival, especially Mrs Tedge because Red WON!!! We are all very excited about our Dance Night and can't wait to show our parents/grandparents our fantastic dance skills.
