next Year

Principal's Pen—2018

Another year over - and what have we done?

Once again, it is time to reflect on all we have achieved this year.

We started the year with our Information Sessions where teachers and parents met - for some, for the first time. This was followed by our amazing race events.

We were involved in whole school activities such as Be Brave and Shave (thanks Jack and Gina), Footy Colours Day, Sausage Sizzles, Class Assemblies, Harmony Day, Easter Bonnet Parade, NAIDOC celebrations and activities, Dress Up for Book Week, the Airport planting program, our Scientist in School program with Mr Baillie, Solar Car Challenge, Toonschool - Joffa, Clean Up Day, our "End of Year" fun day, and many other events & activities where we worked together as a whole school. P&C supported the school with the Easter Egg and Christmas raffles!

Our sporting talents were once again evident in our Swimming and Athletics Interschool Carnivals, along with our Faction Athletics carnival, Interschool competitions across a variety of sports, Summer and Winter carnivals, and our weekly sports' activities organised by Mrs McDonald.

Within the classes, many activities were undertaken - all part of our Learning Journey involving more than the 3 R's. We have discovered the process for "Solution Fluency" creative thinking. We had Mothers' and Fathers' Day activities and celebrations, Year 6 visits to various High Schools for their Transition Day, class assemblies followed by morning tea and parent visits to the classroom, our Dance /Arts Showcase and our End of Year concert and Awards Presentation.

Our new Science room was opened with important guests visiting our school - Premier Mr McGowan, Minister for Education, Mrs Ellery, Minister for Science, Mr Kelly and our local MP, Mrs Cassie Rowe. Very Exciting!!

Our Student Councillors have continued to organise and run school assemblies, morning fitness activities, and a variety of other “jobs”, confidently and efficiently. Well done to those students who have proven to be fine ambassadors for the Student Body - Lucy, Sheza, Jackson, Brody, Connor and Brett.

We have said “goodbye” to some students, and their families this year, and to those leaving at the end of this year, enjoy your new schools and adventures, but always remember your friends at Belmont Primary School.

Our End of Year Awards presentation was combined with our Concert performance celebrating the Festive Season with all classes performing some wonderful Christmas songs - a celebration of the many talented students at Belmont.

What a great way to end the year!

We said goodbye to Mrs Butterworth, who started her next adventure as a mum, at the end of 2nd Term, and welcomed Miss Irvine, who also worked with Mrs Rigby in Room 4 for 4th Term. Mrs Waters did a fantastic job in 1st term taking on the Deputy role whilst Ms Hoare was on leave - my sincere thanks!

Thanks to all the P&C members and School Council members for their continued support to the school - and to all other parents who readily put their hands up to assist when needed”Thanks”. Our Nature Garden is our next big venture!

To Mr Ward, our School Chaplain, and Mrs Robinson, who are here early every Monday, Tuesday and Thursday mornings to make sure everyone has a great breakfast - “thank you.”

To all our parents - thank you for trusting us every day with your children.

So when your child says “we did nothing at school today”, just ask a teacher what else happens within a school other than the “Reading, Writing and ‘Rithmetic” - You might just be surprised!

Your child’s report is a snapshot of what they have achieved over the year. Celebrate their successes with them through their reports and their workbooks that they bring home for you to look at. Their progress will amaze you!

To all staff members of Belmont Primary School, thanks so much for all of your support as part of our team, and all the best for a wonderful year in 2019

To the staff, students, parents and community members, I wish you all a

*Very Merry Christmas with family and friends
&*

A safe and prosperous New Year, 2019
